***When registering for classes, be sure to select Section H1M for Harrison County Lifelong Learning in Corydon.**

The 8-week fall semester spans August 23 – December 19, 2010. All classes use 2-way video conferencing technology. Students can interact live with the instructor and fellow students without being on campus!

Students interested in attending courses at the learning center are required to complete the application and registration process with Ivy Tech and purchase the appropriate books for class.

Harrison County Lifelong Learning staff is trained to administer the COMPASS® entrance exam and the center is an approved site for proctored tests.
